layer 1 — cloud architecture

layer 2 — electrical architecture

layer 3 — chassis

layer 4 — powertrain

— 60+ safety features

— electronic stability programme

Extra control when the road gets unpredictable.

6 — airbags

Advanced all-around safety designed to protect every passenger.

ISOFIX — child seat anchors

Because staying ahead also means keeping your little ones safer - every day.

— iTPMS

Keeps track of tyre pressure and alerts you early - so you're prepared in advance.

next — gen tech beyond limits

Built to protect, reassure and inspire confidence on every drive.

iRA.ev^{##} and Smartwatch
connectivity
with 60+ features

Know what your car is up to - even
when you're away.

arcade.ev~ 2.0
— app suite

Built for electric life - where
everyday waits and highway
halts become playtime.

26.03 cm HD infotainment
— by HARMAN™

Designed to fill your drives with great
sound and endless entertainment.

wireless android auto™ & apple carplay™

Your favourite apps, maps and music come alive automatically - just start driving.

— multiple voice assistants

'Hey Tata', Alexa, Siri, and Google Assistant — for effortless, hands-free control.

USB type — A+C fast charging port (65W)

Fast charging for your phone, tablet and more - right up front.

rear USB type C — fast charging port (15W)

Fast charging for rear passengers - keeping phones and gadgets ready on every trip.

360° surround view camera system^x

A full view around your car to make parking and tight spaces easier.

blind spot — view monitor

Change lanes and take turns with more confidence, even in fast-moving traffic.

26.03 cm digital — cockpit

A wide digital display that brings speed, range and alerts together in one clean view.

navigation in — cockpit

Navigation in the cockpit for a smoother, more focused drive.

smart — LED headlamps

Smart LED Headlamps that switch on automatically and stay with you after you step out - keeping every journey clearly lit.

front LED fog lamps — with cornering function

Low-level, wide-angle lighting for better visibility in bad weather and tight turns.

smart — digital DRLs

A confident digital light signature that gives the Punch.ev a unique road presence.

digital infinity glow — end-to-end tail lamp

A continuous light signature that makes you unmistakable - every evening, every drive.

i-6-in-1 — box

High-efficiency EV integration that maximises performance and range.

i — high beam alert

Notifies you when the high beam remains active beyond 1 minute at speeds of 5–40 km/h.

sos calling### — function

Enables quick assistance in emergencies.

rain — sensing wipers

Stays one step ahead of changing weather conditions.

premium comfort beyond — limits

Designed to deliver superior comfort for all, across every kind of journey.

— front ventilated and leatherette seats

Stay fresh through traffic, heat and long drives.

i — FATC with built-in air purifier

Maintains a steady, comfortable and healthier cabin - so you can focus on the drive, not the dials.

voice — assisted electric sunroof

Brings in more light, air and openness - making long drives feel limitless.

— iToggle Window Controls

A more intuitive, modern layout for smoother everyday control.

electric — ORVM with auto fold

Designed to protect your mirrors and add convenience in busy traffic and tight parking.

rear wiper — and auto defogger

Clear visibility without stopping, wiping or guessing.

auto — dimming IRVM

Stay focused and comfortable, even when traffic lights up behind you.

— 4 speakers

Balanced audio across the cabin - for music, calls and navigation prompts.

— EPB with auto hold

Electronic Parking Brake with Auto Hold offers effortless parking and seamless stop-and-go convenience at the touch of a button.

push button start/stop with keyless entry —

Start your drive with just a touch.

— wireless smartphone charger

Keeps your phone charged and your cabin clutter-free, drive after drive.

front armrest — with storage

Designed to reduce fatigue and keep you relaxed, drive after drive.

**rear seat —
adjustable headrest**

Adjustable support that makes longer rides easier and more comfortable.

rear — armrest

Added rear-seat comfort for a more relaxed ride.

**front console —
with cup holders**

Thoughtfully placed for everyday drinks and small essentials.

366L⁺ — boot space

From luggage to groceries, gear up for big plans - space that fits it all.

— steering mounted controls

Manage calls, music and key functions without taking your hands off the wheel.

— jeweled control knob

Premium design you can feel - with intuitive rotary control for effortless switching between driving modes.

90° — door opening

Designed to make everyday access comfortable and effortless.

dimensions — that define presence

Balanced proportions engineered for stability, space and confident road presence.

Coverage of lifetime HV Battery Warranty is as below:

	First Registration		Standard Warranty Second Registration onwards*** (from the date of first registration, whichever occurs first)	
Model	Years	Km	Years	Km
Punch.ev 40	Lifetime*	Unlimited**	8^	1.60 Lakh^

Summary of Terms and conditions for Lifetime HV Battery Warranty are as below: The specific details of the Terms and Conditions are as published on TATA.ev website (<https://ev.tatamotors.com/>) The Lifetime HV Battery Lifetime warranty is exclusively applicable under the following vehicle types and conditions: Registrations in the name of private individuals. Registrations made under the company perk car scheme for employees, including subsequent transfers of the vehicle to the same employee. In the event the perk car is sold or transferred to any third party (not being the aforementioned employee), such third party shall be treated as second or subsequent owner for the purposes of the lifetime HV battery warranty. * The term 'Lifetime' refers to the period of fifteen years from the first date of registration of the vehicle at the local regional transport office, in accordance with the Motor Vehicles Act, 1988. **The term 'Unlimited' is on the assumption of fair usage by a customer for personal use of the vehicle and therefore excludes extra-ordinary or usage outside the ordinary course as would be reasonably expected for vehicle not being used for commercial / trade purposes. *** It is incumbent on every second (or subsequent) owner to inform TATA Passenger Electric Mobility Limited of the vehicle ownership transfer for Lifetime HV Battery Warranty to apply. The lifetime HV Battery Warranty shall not be available to the second or subsequent owner in absence of such notification.▲ Under ambient test conditions. ε ARAI Certified, Urban + Extra Urban (MIDC Part 1 + Part 2), actual performance figures may vary depending on various conditions including driving pattern, etc. ^ For every sale of vehicle second registration onwards, the date of first registration and kilometer coverage starting from such date of first registration, shall be considered as the baseline for calculating the said term of years and said coverage of Kms. Respectively ◆As per internal testing data, under test ambient temperature conditions. +All values pertaining to boot space are measured as per VDA method in Litres. ^under certification.

Above mentioned features are key differentiating features. For the detailed list/features/specifications, please visit or contact our nearest dealer. Images and illustrations are indicative and for information purpose only. All features/specifications are not available in all variants and may vary for different variants. Features/specifications are subject to change without prior information. Please consult an authorized Tata.ev dealer for the latest information on features/specifications before deciding to place an order. Colours may not match actual colours due to printing/ digital limitations. As per internal testing data, under test ambient temperature conditions, #ARAI Certified, (MIDC Part 1 + Part 2), actual performance figures may vary depending on various conditions including driving pattern, etc. ©The term Lifetime battery warranty is applicable for 40 kwh battery only. The term 'Lifetime' refers to the period of fifteen years for the first owner from the first date of registration of the vehicle at the local regional transport office, in accordance with the Motor Vehicles Act, 1988. The HV battery lifetime warranty is exclusively applicable under the following conditions: a. Registrations in the name of private individuals.b. Registrations made under the company perk car scheme for employees, including subsequent transfers of the vehicle to the same employee. The warranty shall be null and void if the vehicle is transferred or sold to any third party. In case of ownership change, warranty on HV Battery shall be 8 years or 1,60,000 km - whichever is earlier from the date of 1st registration.****Under test ambient conditions. ##Enjoy 1 years of iRA.ev services from date of activation, with flexible re-subscription and upgrade options. ^Enjoy Arcade.ev services for a period of 1 year, with an option to re-subscription. ###Available in select cities. Prices are subject to change without prior information at discretion of TPEML. Contact your nearest Tata.ev dealer for exact prices. TPEM will not be responsible for public charger downtime/ charger malfunction/ vehicle damage due to charger malfunction. *All values pertaining to boot space are measured as per VDA method in Litres. Smart Phone, Smart Watch and Charging Cable is not a part of vehicle accessories. JBL™, Android Auto™, Apple CarPlay™, Alexa™, Harman™ are registered trademarks. Tinted glass and Number plates shown are for creative visualization. ^The 360° HD SVS function is designed to enhance driver awareness and provide a better view of the vehicle's surroundings. However, it is not be substitute for careful driving and should be used in conjunction with other safety features and driver judgment. Drivers should be aware of the technology's limitations and remain responsible for the safe operation of the vehicle.
